

American Lincoln Part

American Lincoln Part - Presently linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. In the industry they are recognized in the industry as providing durable and strong machines which meets all the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery-operated walk behind model of floor scrubber along with the Clarke Company which is now also owned by Nilfisk Advance. Their manufacturing operations are based in Springdale Arkansas. These kinds of scrubbers are available in the market under the brand name "Encore". American Lincoln could supply parts, warranty service and machinery for these kinds of scrubbers which have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice machine of big distribution centers like for instance Wal-Mart and Target. The 7765 line has earned the respect of various facility managers where efficiency and results matter. Lately, this particular floor scrubber model has been used by the architects in different construction jobs such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this sweeper scrubber on location because of the model's high standard of quality and supreme performance level for polishing concrete.
