

Lull Telehandler Part

Lull Telehandler Parts - Telehandlers by Lull have been providing load placement accuracy ever since 1959. The Lull telehandler can help make the task faster and easier, whether the work requires transferring loads, positioning heavy steel or landing loads on scaffoldings. These units are available together with the patented Stabil-Trak stability system so as to ensure operator confidence.

The Lull horizontal load placement system provides 80 inches of boom travel for precision placement capabilities. A wide range of optional attachments is available for Lull telehandlers so as to help do any work.
