

Concrete Hopper

Concrete Hopper - This accessory is a self-dumping hopper which automatically triggers to unload as soon as bumper release touches the side of a dumpster. As soon as dumping is completed, the hopper returns to a locked and upright position. This piece of machinery likewise comes along with a cable that enables operation from the seat of the lift truck to be able to have the alternative of manually unloading the hopper. There is a locking chain provided to be able to lock the hopper to the fork truck. This product is constructed with reliable and consistent robotic welds for maximum strength. The lift truck dumping hopper even has a blue powder coat finish to maintain durability.
